THE MINISTER OF HUMAN RESOURCE DEVELOPMENT, SCIENCE AND TECHNOLOGY AND OCEAN DEVELOPME MURLI MANOHAR JOSHI)

(a) & (b) The National Education policy advocatesa well planned introduction of vocational education as a distinct stream at +2 level. In past the attempt to introduce vocational courses in the KVS did not findacceptability. Kendriya Vidyalaya Sangathan has now introduced Generic Vocational Course in 20 Kendriya Vidyalayas on experimental basis from 1999-2000.
